

MR. FOX, ABOUT
YOUR HOMEWORK...

I ASSIGNED QUESTIONS
1 THROUGH 20, YET
YOU ONLY DID QUESTIONS
1, 5, 10, 15 AND 20.

I FIGURED YOU COULD
PLOT MY RESULTS, FIND
THE BEST-FITTING CURVE,
AND INTERPOLATE HOW
I'D DO ON THE OTHERS.

I CAN'T DECIDE IF YOU
YOU'RE STUPID OR COULD
BRILLIANT, PETER. SPLIT
THE DIFFERENCE AND
GIVE ME A "B"...
